Hotel, food service and tourism in Vicenza

Big city, 90.000 companies, birthplace of modern architecture and UNESCO World Heritage Site: hotels, restaurants and tourism have **a very good business environment** in Vicenza. The location between Venice and Verona (less than an hour away) increases the city's attractiveness.

Eurocultura organizes traineeships in hotels, restaurants and tourism operators in Vicenza and the surrounding area **for apprentices and fully trained people**. Boutique and business hotels, Mediterranean cuisine and starred restaurants and tourism operators welcome foreign trainees.

Motivation, openness, and commitment guarantee a successful traineeship even without knowledge of Italian. English is spoken in many companies. The trainees are guided and work side by side with experienced colleagues. The minimum duration of the internship is 3 weeks.
